I’m honored to represent you on the Board of Supervisors, where sound budgeting has resulted in a **AAA financial rating for Contra Costa County**. I’m proud of the accomplishments we’ve made together:

**Securing $1.8 billion in transportation funding** to improve I-680, Highway 4, build the Caldecott Tunnel’s fourth bore and bring BART to Pittsburg/Antioch. We are now **investigating future ferry service** to San Francisco from Hercules, Martinez, Bay Point and Antioch.

**Assisting victims of domestic violence, we’ve opened three Family Justice Centers.** Working closely with the District Attorney’s Office, we’ve stepped up efforts to arrest and convict human traffickers who prey on young women.

**So we become less dependent on PG&E,** we are working with neighboring cities to identify future energy sources, so we won’t remain victim to power shutoffs. I am STRONGLY OPPOSED to any proposal that would send our water to Southern California.

**We strengthened the Industrial Safety Ordinance,** to prevent refinery accidents. **Ensuring our Contra Costa County voting system is hack-proof,** we’ve purchased a new state-of-the-art voting system to increase privacy, safety and efficiency in voting. **Preserving open space and beautiful hillsides** has always been a top priority of mine – so has defending the Urban Limit Line to control growth.

I’m proud to have earned the support of our District Attorney, police, deputy sheriffs and firefighters, local elected leaders, and others. I would be honored to earn your vote so we can continue our work together to keep Contra Costa County safe and enjoyable for all our residents.
