Good morning President Householder,

I am happy to schedule a Special Meeting. Unfortunately, I can't agree to the agenda items as you requested below for the following reasons:

-This is an ongoing investigation (at the time of your request, staff has had less than 24 business hours to investigate);

-You are asking me to violate employees' employment rights;

-You are asking me to violate a student's right to privacy;

-You are breaching my employment contract;

-You are violating Board Policy.

I'm sure there are many other ethical violations included in this request.

The one item I do believe the Board may discuss at this time is the STM contract. However, I want to go on record as stating I believe that absent of an investigation, this is inappropriate at this time. However, if this is what you would like the Board to consider, please advise and I will calendar the Special Meeting.

Sincerely,
Stephanie

Stephanie,

I am disappointed we couldn't connect by phone.

I have consulted with Vice President Dr. Lewis, and we both agreed that there are unanswered questions regarding the video of the incident at Antioch High on 8/27.

Please take this email as my **official notice calling a Special Meeting for Thursday, September 2nd at 6 PM** to investigate this incident. There will only need to be one item for discussion/action by Board: **"Inquiry into Social Media Post Circulated on August 27th incident at Antioch High School."**

- I would like AUSD staff involved to be available for questions, including administration and site safety.
- Additionally, please invite Strategic Threat Management since we contract with them.
- Please attach with this agenda item (1) Strategic Threat Management's contract, (2) job duties for site safety personnel, and (3) and written policies that outline how violent situations regarding students is handled

- this can be Antioch High specific, Board Policy, the District's safety plan - anything to help the Board understand different scenarios and responses.
- Lastly, please provide any data we have on student arrests for the last 4-5 years, including but not limited to number of arrests, reason, school site, grade, gender, and race. Typically, I would only ask for 3 years of data, however, because of COVID, I am extending that time span.

Please do not hesitate to call or email me with follow up questions or clarifications.

Sincerely,

Ellie Householder, MPP

Hi Ellie,

As no single Board Member can direct the work of staff, I will not be preparing anything for Thursday night. Rather, it will be an item for discussion so that I can get direction from the Board as a whole.

Thanks,
Stephanei

Sorry again...I had a delay due to a personal matter. I just made the link active. I didn't add the title of the agenda item as the agenda isn't public and I will wait to post the link until the agenda posts tomorrow.

Thanks,

Sorry I couldn't get to this sooner, but I just got back to my desk as I was helping a Walnut Creek family enroll here on a transfer.

I don't normally make the form active until the agenda posts, but since there is only one item, I am happy to take care of it now. It will take me a few minutes to change the meeting information on the form. It should go live in about 5 minutes.

Superintendent Anello,

I am removing the rest of the Board as you are creating potential Brown Act challenges.

For the Special Meeting on Thursday, September 2nd at 6 PM, please use the following as the discussion/action item, in lieu of my previous request.

The item for discussion/action by Board: **"District-wide use of force policies and procedures"**

Please be prepared to walk the Board and the community through use force in AUSD as a part of the overall District Safety Plan. You decide who you want to be there.

Sincerely,
